“Searching for a job in today’s market was discouraging as I was not getting interviews. I met with TSR and they made my resume stand out. They consulted with me and improved my interviewing skills. Thanks to TSR, I got more interviews and found a great job!”
- Kathy K.

“TSR understood what it would take to make me more attractive to employers in this job market. After meeting with them, my career is back on track. Thank you TSR!”
- Rich R.

Resumes with **IMPACT**

Do you want to:

- I**ncrease your interview opportunities
- M**aximize your salary potential
- P**rofessionalize your presentation
- A**ccelerate your career growth
- C**apture employers’ attention
- T**ake control of your job search

Your RESUME should make an

I M P A C T !

Your resume is your first impression. It makes a profound statement about YOU. If you don’t make an **impact**, you won’t get an interview. If you don’t get an interview, you won’t get the job. Today’s job market is very challenging and competitive. Don’t enter the market without a high **impact** professional resume.

Let TSR create the necessary image and resume presentation to get your foot in the door. We will:

- ▯ Examine your current resume content, format and design
- ▯ Review your experiences, accomplishments and abilities
- ▯ Re-design a perfectly professional image
- ▯ Format your resume for a specific industry and/or discipline
- ▯ Provide insight from an employer’s perspective
- ▯ Put it all together with creative copy and presentation
- ▯ Consult with you on Behavior Based Interviewing preparation

One major benefit of having your resume professionally written and designed is you will make an immediate **impact**...get the interview and ultimately get the job you want.

Take control of your job search and your career. Don’t get overlooked and let your ideal job slip away.
